Those requirements can be requested from INVENTUM GmbH and shall be communicated not later than 15. February 2018. Stand/booth equipment must be provided by each exhibitor himself/herself.

The assignment of the exhibition spaces will be made by INVENTUM GmbH in consultation with the exhibitors. The exact booth plan with the stand location, stand number and the general information on the assembly and disassembly conditions will be sent after the preparation of the entire exhibition schedule about four weeks before the meeting.

Setup and assembling of the stand/booth is possible on 18. March 2018 from 18.00-20.00 PM and on 19. March 2018 from 07.00 – 09.30 AM.
